Small Purple Flowers

Keywords: Broken, Damage, Flowers, Purple

With an even closer look,
discovering small purple flowers that went unnoticed.

Looking back,
only to notice thousands
of those small purple flowers
that you have stepped on;
I wonder if you will ever notice
the damage that you have done.
How you alone left them with your actions:

Broken
Aching
Crying
But all in silence.

Within their soul,
what little happiness is left of them
they will cry out,
in the sunlight and in the moonlight;
only to be left alone again.

Laying there,
they will use whatever little happiness they have left
until they wither away
or
someone comes along

and steps on them once more.

Never being able to fully resuscitate and be full,
with the life they once had.
