Celestial body

Denis Drachenberg

She had a Celestial body
that felt uncomfortable in the dark.
So she raised her arms up to
where the stars met the moon
and gathered the black sky
with her own two hands.
She wrapped it around herself like a scarf
so it draped over her shoulders.
When she couldn't see herself
in the mirror
she thought she was black and empty
but I see
That your soul has become
a receptacle for stars
I want to say to her,
“Darling you are glowing,
can't you see,
you take constellations with you
wherever you go.”
