Dear Mr. Danziger,

Thank you for your eMail and the information on the Brandenburg 300 Project. I have also forwarded this to Sandra Schmidt.

Indeed, we have not heard of any other celebrations concerning the anniversary of the Brandenburgs. We would be happy to receive a copy of your video for our archive. You may send the download link to my colleague Maria Wagler.

For your project we wish you a lot of fun and good success.

With my best wishes from Leipzig,
Manuel Bärwald
