ADDITIONAL DATA (See also back of sheet)

"Valencia (Manuel) [Apparently an error in office stating that grantee was Manuel]...grantee of Cañada de Pinole, Contra Costa iv 672." [BC v 755]. "Ranchos of northern Cal., granted in 1841-5...Pinole, Boca de la Cañada del, 1842, Manuel Valencia, who was cl." [BC iv 672]. [Some question as to the original grantee in this case. Hoover and Bancroft both give Manuel Valencia while the archive copies give María Manuela Valencia. It is probably that the latter was simply the patentee and an error has been made in copying the archives. BMS]
