ADDITIONAL DATA (also see back of sheet)
 "Alexander (David W.)...successful claimant for the ranchos of Tujunga and Providencia" BC.ii. 690.
 "Ossa (Vicente)...in '42-43 grantee of Providencia rancho. iv 635." [BC iv 2762].. "Mellus Francis)...claimant for Providencia rancho. iv 635." [BC iv 737]. "Ranchos of Los Angeles district 1841-50...Providencia, 1 l., 1843, Vicente de la Ossa; D. W. Alexander and F. Mellus, cl." [BC iv 635] [The copies of the archives indicate that more than one person received the patent to this rancho, while the S'86 refers only to Alexander. It is probable that the S'86 is wrong on this point and that Alexander and Mellus received the patent together as indicated by Bancroft and the archive copies in this office. BMS].
