

Hello,

The MCFL Literacy Program would like to invite you to the very first Pronunciation class! We appreciate all of the hard work and dedication you have shown in developing your English literacy skills and we would like to help you further improve your skills. Our instructor for this more advanced class is an insightful instructor from the Middlebury Institute of International Studies who will provide you with additional materials and assistance to help you improve your English pronunciation skills. We have a COVID-19 safety protocol in place to protect our learners and instructor which will be shared with you once the course begins.

Due to the rapid increase in COVID-19 infections this winter, we have limited space in the class to ensure enough room for social distancing. Please let us know if you are interested in being a part of this new experience! If you have any questions or concerns, please call or email us at the email provided below. We look forward to working with you!
