ADDITIONAL DATA (See also back of sheet)

"Peralta (Domingo). . .son of Luis. . .In '33 grantee of Cañada del Corte de Madera, Sta Clara. iii 711. . .for which he was cl." [BC iv 772]. "Ranchos of S. Francisco district. . . Cañada del Corte de Madera (Sta Clara, 1833, De Peralta and M. Martinez; D. C. Peralta cl" [Peralta being mentioned as claimant is apparently an error as he disposed of his interest long before time for filing claims, although this may have been an heir of the original grantee. However if a Peralta did file a claim for the rancho it claim was never allowed. BMS] [BC 711].

[writing of El Corte de Madera]
" his rancho, which lay above the confluence of Los Trancos and San Francisquito and San Francisquito creeks, covered a large tract between these streams. The Portola road
