NOTES

Data entry note	
Memo (long note)	WPA ABSTRACTt notes that Bancroft records and Hoffman Index reflect that the patent request was rejected by the California Land Commission. In a narrative at the bottom of page 1 of the abstract, the author notes that the patent was issued to the heirs of Felipe Vasquez. The handwritten patent found on the BLM website details what transpired between the rejection by the Land Commission and May 20, 1877 when the patent was issued.
