ADDITIONAL DATA (See also back of sheet)

"Neal (Samuel)...1844...in Dec., in return for services in the Micheltorena campaign, got a grant of land on Butte Creek, Butte." [BC iv 752]. "Ranchos of northern Cal., granted in 1841-5....Esquon (Butte), 5 l., 1844, Sam. Neal, who was cl." [BC iv 671]. [Bancroft lists this grant as one of the rancho for which the claim was disallowed. However, this is apparently an error as a patent was issued to Neal for the same. It may be that the L. C. disallowed the claim, which decision was later reversed by the courts and this fact did not come to the attention of the compilers of BC.]
